Summary

Motivated Computer Science student with expertise in software development, full stack web development, and UI/UX designing. Secured a rank of 5106 in Coding Ninjas CodeKaze-Sep 24'. Experienced in building innovative solutions during internship at Varcons Technologies. Demonstrated leadership in organizing state-level tech events. Skilled in Python, Java and C++.

EDUCATION

Bachelor of Engineering (BE) in Computer Science, Rajeev Institute of Technology   Expected 2025

My academic journey at Rajeev Institute of Technology in Computer Science has equipped me with a diverse skill set, with a current grade standing at 8.5 CGPA

Pre-University (PU) in PCMB, SPM PU College   2019 - 2021

SKILLS

Technical Skills	Python, Java, C/C++, Django, Data structures & algorithms, Web Development
Tools & Technologies	UI/UX Designing (Figma), Git, GitHub, MySQL, SQLite

EXPERIENCE

Full Stack Web Developer   Dec 2023 - Jan 2024

Varcon's Technologies Pvt. Ltd.   *Bengaluru, Karnataka*

- Developed a full-stack web application for Ignyt-The Beer Lounge using Django, enhancing user interface responsiveness and improving overall website performance.
- Designed and implemented a database system with SQLite to manage and process client data.

Soft Skills & Microsoft Office   Oct 2022 - Oct 2022

10 Seconds   *Hassan, Karnataka*

- I acquired a comprehensive set of skills essential for professional development and effective workplace communication. Through hands-on experience, I honed various soft skills indispensable for career success.

PROJECTS

Inspyr AI: A project on Generative AI called 'Inspyr AI' for our VTU 7th semester curriculum. It generates images and websites from user prompts. We chose Django for building dynamic web applications, and OpenAI as our AI model.

Bank Locker Management System: A mini project for VTU's 5th Semester: A Bank Locker Management System. Built with MySQL, and PHP it tracks date and time of customer locking money. Boosts productivity with a user-friendly interface.

Ignyt - The Beer Lounge: Internship Project at Varcons Technologies Pvt. Ltd.: Collaborated on developing a dynamic web platform for the client 'Ignyt - The Beer Lounge,'. Leveraged Django to enhance user experience and streamline pub operations.

CERTIFICATIONS

NPTEL – The Joy of Computing Using Python, ISRO Certificate of Merit

AWARDS & ACHIEVEMENTS

- AIR 5106 at Coding Ninjas Codekaze-Sep'24 during Naukri Engineers Week
- UI/UX Design Hackathon
